ARTECO GLOBAL and 3S Pocketnet Technology are now partners

FAENZA, Italy – ARTECO GLOBAL, the leader in Video Event Management Software (VEMS) for the Security Industry, is pleased to announce that it has been selected by 3S Pocketnet Technology Inc., a leading camera manufacturer from Taiwan, to be a co-branding partner at the next IFSEC exhibition in London from 17-19 June 2014.

“3S Pocketnet Technology is the perfect partner with whom we can work together to begin showing our competitive advantage at IFSEC London”, commented Giampaolo Sabbatani, CEO of Arteco Global, who also added: “3S is a growing partner, manufacturer of surveillance cameras with a worldwide presence, whose cutting edge cameras will be showcased on our leading VMS for the first time in London. We are proud to have this opportunity and look forward to working together”.

3s Pocketnet Technology is also pleased to have Arteco as one of their 3rd party alliance members and commented: “in order to bring all of our surveillance solutions under one umbrella in this fast growing market, we have invited Arteco to join our stand at IFSEC, London this year to showcase the Arteco VMS with us.”

Both companies look forward to developing a prosperous partner relationship beginning with the IFSEC trade fair and trust it will lay the groundwork for future joint co-branding initiatives.

About Arteco Global Founded in 1987, ARTECO is a global provider of Video Security products based in Faenza, Italy with US operations in St. Louis, MO.
